WEDDING ALBUMS

HEY, IT'S CRAIG

HERE'S A SIMPLE ALBUM GUIDE, BECAUSE, LET'S BE HONEST, ALBUMS CAN GET A LITTLE CONFUSING.

Why should I consider albums?

Because memories matter. If you want your kids or grandkids to be able to travel in time in 20 or 30 years – this is it. Albums are the best way to enjoy photography.

What should I know before I dive in?

I have two amazing album suppliers. First, there's Oak & Ivy, which offers a more budget-friendly option, and then there's my premium collection, Regency, with luxurious cover materials and exceptional print quality, all crafted in the UK.

How do I order?

Just let me know and ask for details!

PERSONALISATION METHODS

PRINTING

The latest digital technique in personalisation which involves printing directly on to a material in either black or white ink. Available on all cover materials.

Available fonts: Bebas, Bombshell, Century, Century Gothic, Courier, Futura, Gill Sans, Helvetica, Magarella, Melinda, Montserrat, Prata, Times, Trajan and Univers.

ENGRAVING

Using a laser your text or bespoke motif is engraved in to the cover material. The process works by removing the top layer of the material to reveal the natural hues underneath. Engraving is available on all leathers and some fabrics.

Available fonts: Bebas, Bombshell, Century, Century Gothic, Courier, Futura, Gill Sans, Helvetica, Magarella, Melinda, Montserrat, Prata, Times, Trajan and Univers.

PERSONALISATION METHODS

DEBOSSING

Using traditional methods, letters are pressed into the cover without ink or foil for an elegant, classic presentation that's wonderful to the touch. Blind debossing is available on Contemporary Leather only.

Available fonts: Coronation, Helvetica, Bebas & Prata in UPPERCASE characters only.

FOILING

Heat is used to transfer metallic gold or silver foil to the album cover for an eye-catching enhancement. Foil debossing is available on all cover materials.

Available fonts: Coronation, Bebas & Prata in UPPERCASE.
